Work Experience

AI Junior Creator
Jul 2026 — Aug 2026

Untagd · Full-time Freelance · Remote (Kuwait)
Direct AI content creation, visual development, prompting workflows, and generative video production for Kuwait-based creative studio Untagd. Delivered commercial ad films, automotive cinematic showcases, and narrative concepts.

Social Media Manager & Content Strategist
Oct 2025 — Aug 2026

Credes Techlabs · Full-time · Remote
Direct SMM strategy and execution for 5+ brands under Credes Techlabs. Manage end-to-end content calendars across Instagram, LinkedIn, Meta, and X while directing video production and building client web platforms.

Social Media Manager
Jun 2026 — Jul 2026

Aspire — IMC's Flagship Startup Platform · Freelance · Remote
Led content operations scaling visual authority within the startup and investor ecosystem. Engineered a high-retention content production loop and translated incubator initiatives into high-impact editorial assets.

Social Media Manager
Oct 2025 — Jul 2026

Giffy · Freelance · Remote
Built and managed Giffy's social media presence from scratch. Developed editorial calendars, short-form video ads, and static creative assets across Instagram and Meta to drive brand awareness and community growth.

Social Media Manager
Feb 2026 — Apr 2026

HashLite · Freelance · Remote
Managed social media strategy and developer-focused content loops on Instagram, Threads, and LinkedIn to establish B2B brand trust and scale organic impressions.

Social Media Manager & Content Creator (Satcon 2026)
Jan 2026 — Feb 2026

Sattvik Certifications · Freelance · Remote
Spearheaded the complete digital SMM rollout and creative production for Satcon 2026, delivering 100+ promotional visual and video assets across global channels.

Social Media Manager
Nov 2025 — Dec 2025

White Horse Media Solutions · Full-time · WFO
Managed local growth accounts, Local SEO optimization, and Meta Ads for regional clientele while supervising commercial videography and editing pipelines.

Volunteer / League Operations & Production Support
Aug 2025 — Dec 2025

Esports Federation of India (ESFI) · Internship · Remote
Contributed to national-level esports operations, livestream broadcast production, graphic overlays, and tournament coverage campaigns reaching pan-India audiences.

AI Filmmaking & Generative Content

Midjourney · Veo / Luma Dream Machine · Higgsfield AI · ElevenLabs · Suno AI · Cinematic Prompt Engineering · AI Video Post-Production · OpenArt · Google Studio · Gemini Pro · ChatGPT 2.0 · Seedance · Kling

Community & Operations

Community Architecture · Discord Moderation · Esports League Ops

Web Design & Development

HTML5 & CSS3 · Vanilla JavaScript · UX/UI Design System · Vercel Deployment · Git Version Control · Responsive Design

Digital Marketing Manager

Apr 2025 — May 2025

Finanvo.in · Full-time · WFO

Built social media presence from the ground up, directed design and content teams, and managed end-to-end content calendars and performance analytics.

Social Media Manager & Video Editor

Aug 2023 — Feb 2025

Gujarat Tigers Esports · Full-time · Hybrid

Pioneered SMM and editing operations from scratch, producing viral gaming montages and roster reels to establish the team's organic fanbase.

Web Design & Development

Abhushan

Live Website

Luxury E-Commerce & Appointment Scheduler

Built a premium responsive jewelry storefront featuring an interactive product grid, custom 4-service studio scheduler with validation, and a secure admin metrics dashboard.

Detailing Cars (DC)

Live Website

Premium Automotive Service Booking Platform

Developed a premium dark-mode booking platform with vehicle size pricing, interactive before/after restorer sliders, localStorage persistence, and a live coordinator admin panel.

KXM

Live Website

Brutalist Fashion Editorial Storefront

Designed an editorial Brutalist storefront featuring monochrome typography layout, infinite marquee loops, pure CSS hover transitions, and a slide-out cart.
